July 2021 - March 2023 (1 year 9 months)

Hyderabad, Telangana, India

Microsoft

Software Engineering Intern

May 2020 - July 2020 (3 months)

Hyderabad, Telangana, India

Part of Cloud Services/VMSS team in Azure Compute and worked on integrating FC-AzSM migration with xRP migration for PaaS tenants, integrating them prevents an unwanted future management downtime and improves customer experience due to improved availability, reliability and success rate of scale out operations.

Implemented a pipeline block in VSM that handled the integration workflow using a Goal Seeking Architecture, wrote and reviewed code in C# using .NET framework and used Moq for unit testing.
