Srinivas Reddy Masireddy

Full Stack Development Trainee | CCBPian at NxtWave | React JS,
Frontend Developer
Hyderabad, Telangana, India

Summary

I'm a passionate Full Stack Developer skilled in JavaScript, React.js, Node.js, and SQL. I recently completed an intensive hands-on training at NxtWave CCBP, where I built multiple real-world web projects and honed my frontend and backend skills.

What sets me apart is my ability to think like a problem-solver. I don't just write code — I build fast, user-friendly applications that make an impact. I'm constantly improving, whether it's through daily coding, exploring AI integrations, or learning the latest frameworks.

I'm now actively seeking a full-time or remote opportunity where I can contribute to a development team, grow under mentorship, and help build great products. Let's connect if you're hiring or collaborating!

#FullStackDeveloper #Fresher #Passionate #Driven #Collaborative
#Innovative"

Experience

Teachnook

Machine Learning Intern

December 2023 - January 2024 (2 months)

India

- Completed a 2-month internship at Teachnook, focusing on foundational machine learning concepts.
- Built predictive models and analyzed datasets using Python, Pandas, NumPy, and Scikit-learn.
- Gained hands-on experience in supervised and unsupervised learning, data preprocessing, and performance metrics.

Education

PARUL INSTITUTE OF ENGG. AND TECH., LIMDA, VAGHODIA
037

Bachelor of Technology - BTech, Computer science · (September 2020 - April 2024)

Narayana Junior College - India
· (June 2018 - March 2020)
