Aravind Malla

SDE 3 at PayPal | Ex-Senior Software Development Engineer 2 at ZoomRx | Ex-Software Engineer at NortonLifeLock
Srikakulam, Andhra Pradesh, India

Summary

7 Years of experience as Software Developer in design, analysis, implementation and testing of web applications.

Experience

PayPal

SDE 3

December 2024 - Present (1 year 7 months)

Chennai, Tamil Nadu, India

ZoomRx

Senior Software Development Engineer 2

August 2022 - December 2024 (2 years 5 months)

Chennai, Tamil Nadu, India

- Led a team in the successful migration of the Admin Portal project from the FastAPI (Python) framework to FaaS (TypeScript), setting a benchmark for other teams to follow in future migrations.
- Collaborated in designing and building data pipelines for the creation of a knowledge base, enabling the development of a chat application powered by Large Language Models (LLMs) like Azure OpenAI.
- Played a key role in the development and ongoing maintenance of a Retrieval-Augmented Generation (RAG) system, delivering value to clients by enhancing our AI-driven applications.

NortonLifeLock

Software Engineer

July 2020 - September 2022 (2 years 3 months)

Chennai, Tamil Nadu, India

- Developed and deployed RESTful APIs using Spring Framework and Spring Boot as a Backend Developer on the Licensing Team, delivering scalable backend services and providing seamless licensing support for mobile platforms such as Google Play Store and Apple App Store.
- Led the implementation of the BlackDuckHub application, conducting thorough code vulnerability scanning to enhance the security and compliance of team-wide applications.
- Spearheaded a team to develop proof-of-concept solutions for two load-testing applications, gaining hands-on experience in unit testing, integration testing, and load testing to ensure code quality, performance, and system reliability.

Symantec

Associate Software Engineer

September 2017 - July 2020 (2 years 11 months)

Chennai, Tamil Nadu, India

Symantec

Intern

January 2017 - June 2017 (6 months)

Chennai, Tamil Nadu, India

Worked as SDET on Symantec's Enterprise product, Symantec Endpoint Protection for Mac Desktop Application

Education

Amrita Vishwa Vidyapeetham, Coimbatore

B.Tech, Computer Science and Engineering · (July 2013 - July 2017)
