Srilekha N

Software Development Engineer 1 at Rocket
Chennai, Tamil Nadu, India

Summary

Full Stack Developer with professional experience at Tata Consultancy Services, specializing in Angular with strong expertise in Angular CLI, Jasmine/Karma unit testing, UI development, problem-solving, and debugging. Hands-on experience across frontend and backend using Django REST Framework, Java Spring Boot, and MEAN stack. Experienced in Agile environments following SDLC practices, with proficiency in Bitbucket/Git, Jira, Jenkins CI/CD, SonarQube (85%+ code quality), Red Hat OpenShift for production environment and API testing using Postman/Thunder Client. Contributed to large-scale application upgrades, modular architecture design, clean code practices, and end-to-end feature delivery. Recognized for high performance, collaboration, and leadership, earning the TCS Gems LIREL Award.
