Apoorv Garg

Software Development Engineer II @ Amazon | Amazon Payments & Checkout | Ex-Competitive Programmer (Google Kickstart, Codeforces) | Java | C++

Bengaluru, Karnataka, India

Summary

Software Development Engineer at Amazon working on large-scale payment and checkout systems.

I enjoy building high-impact backend services that power seamless customer experiences across global merchants.

My work focuses on distributed systems, payment integrations, and personalization features that improve buyer engagement.

Previously active in competitive programming with strong rankings in Google Kickstart, Codeforces and LeetCode contests.
